

Have Baby Will Travel's Carry-On Packing List

If you split the contents between the usually allotted three bags of carry-on luggage by most airlines for two adults and a lap baby, you should be able to avoid needing a mule to carry everything :)

Don't forget to also print out our [Mother of all Packing Lists](#)

Divided Between Carry-On Bags/Diaper Bag:

- Printed travel itinerary (flights/accommodation/contact information)
- Passports & other ID
- Consent form if both parents are not traveling
- Credit cards/money
- Travel insurance information
- Smartphone & charger
- Tablet or laptop & charger, headphones
- Camera & charger
- Prescription medications
- Pen(s)
- Toys
- Books
- Baby's 'Woobie' or special blanket or toy (guard this with your life!)
- 1 diaper per every hour of your journey
- Wipes, wipes & more wipes (diaper wipes)
- 2 changes of clothes for baby
- At least 1 change of clothes for you
- Plastic bags to hold aforementioned possible laundry
- Snacks for you and for baby
- Food for baby – at least two more meals than you think you'll need
- Formula or milk for baby – at least 2 more feeds than you think you'll need
- Clean bottles or sippy cups
- Breast pump & accessories (if you're pumping)
- Extra pacifiers (if baby takes them)
- Face masks (disposable or reusable)
- Disinfecting Wipes

Carry-On Packing List (cont'd)

2 One-litre zippered plastic bags for you and adult travel partner containing:

- travel-sized toothpaste
- travel-sized mouthwash
- travel-sized hand sanitizer
- travel-sized moisturizer
- travel-sized liquid dish soap
- travel-sized deodorant
- travel-sized shampoo
- travel-sized conditioner
- travel-sized disinfecting liquid (like alcohol or peroxide)
- small tube antibiotic ointment
- toothbrushes
- a few cotton swabs
- fabric bandages

1 One-litre zippered plastic bag for baby containing:

- liquid baby antihistamine
- liquid baby acetaminophen
- travel-sized baby wash
- travel-sized baby shampoo
- travel-sized baby moisturizer
- travel-sized diaper cream
- travel-sized baby sunscreen
- travel sized baby laundry soap
- a few oral rehydration freeze pops (unfrozen)

All of the travel-sized toiletries and baby's mini-pharmacy mentioned above should fit in your one-litre zippered plastic bags. Ours did.

Happy Travels!
